

2023 Annual General Meeting Trails Report

Respectfully submitted by: Marion Boom

Club PTs: Thank you to all who continue to look after the Walk Box (es) for our PT's. For our new members, we currently have nine Permanent Trails, two in the downtown area and the remainder in the east end that you can do any day of the year. For information on all these walks, (as well as for other Clubs in Canada) please check our Club website on walks.ca

PT and Event Fees: It was agreed on by the Executive that in 2023 the cost for OVO members for all PTs will be just \$1. Cost for events remains the same at \$2

New OVO PT: Starting in May we will have a new PT. The walk will start at the Rideau Sports Centre, 1 Donald St. As there will be no actual walk box, registration will be on-line only. More to come
Coupons: As of the end of Dec 2022, we will no longer be selling coupon books. If you have any coupons remaining, they will be honoured at any of the OVO walks (PTs or Events)

2023 Events: If anyone has ideas or suggestions for locations where we can have an event, or if there is somewhere where you would like to walk, please let me or any member of the Executive know. We are always looking for new locations. If you are willing to design a route for one of our 2023 Events, please let our President or Trails Coordinator know.
