

2023 Annual General Meeting Membership Co-ordinators Report

Respectfully submitted by: Pat Deroche

In 2022 we had 61 membership renewals from 2021, 11 Lifetime members and 19 new members for a total of 91 voting members as of December 31, 2022.

When I took over the membership book in July 2022, Jane gave me 14 distance books to be given to new members. From July to December I gave out 8 books leaving a balance of 6 to start 2023.

The executive agreed that members who paid their dues for 2022 would receive free membership for 2023. Members would have to sign a new waiver for 2023.

PROPOSAL TO APPROVE MEMBERSHIP FEES OF THE OTTAWA VOYAGEURS WALKING CLUB:

Moved by: Pat Deroche

Reasoning: Membership fees were last raised in 2014 and the club continues to be financially stable. Therefore the current executive proposes a freeze on membership dues for 2024. Consequences: The cost of a family membership (2 voting members) - \$30.00 - Individual membership - \$15.00

Seconded by:

Membership Numbers By Year
