Petrie Island Anniversary Walk and BBQ, September 10th –The celebration was a great success due to the coordination of Perry and her team of helpers ordering and picking up the food and drinks, propane BBQ, and cake. Thank you to Jane, Jessie, and Michelle for their help as well as Marion for the walk routes. The weather couldn't have been better.

OVO Christmas Dinner, Saturday November 26th – the committee organized the 2022 dinner at the Mill Street Brew Pub. It was a great venue, everyone was so happy, and enjoyed their meals.

It is wonderful that the club has been able to resurrect some of our social activities in 2022. Here's to holding more activities in 2023.
