35<sup>th</sup> Anniversary Walk – CVF 15436  
5KM Route Instructions – Difficulty 1A  
795 Trim Rd, Orleans, ON K4A 3P4

1. From the parking lot, cross to the paved path. Continue along the path with the beach to your left. At the end of the path, veer **right** across the sand to continue on another path. This path will end at Tweddle Rd. Go around the medal barrier and almost immediately go **left** around a second barrier to continue on the Sunrise Trail through the woods.
2. When the path ends at the road, keep left. Continue along Tweddle Rd until you reach Ozile's Marina on the left. Carefully **cross** the road and turn **right**. Retrace your steps to the first path on the **left**, Basswood Trail. Follow Basswood Trail as it loops around keeping **left** as you exit the woods.
3. Turn **left** on Muskrat Trail. Go to the end then retrace your steps and turn **left** on Turtle Trail which joins up with the Holland Trail. Stay on the Holland Trail to the Beaver Trail, first trail on the **left** after the sandy area. Follow the Beaver Trail, which loops around back to the Holland Trail. Turn **left** and go to the end, just before the wooden structure.
4. Turn **right** on the trail (River Loop, no sign) to the beach then continue **right** to walk on the sand. At the orange arrow, veer **right** to continue on the grass to the Holland Trail and turn **left**. Just after the "gate" turn **left** on the first Panorama Loop and follow the trail to get a beautiful view of the Ottawa River. Continue on the trail to make a loop and come out on the Holland Trail (very close to where you went in). Turn **left** on the trail.
5. Just before the brown metal dumpster, keep **left** to continue on a dirt trail. You will pass Friends of Petrie, then keep straight ahead to continue over a small footbridge and back to the beach area. Turn **right** back to the parking lot.

We hope you have enjoyed your walk around Petrie Island
